Demography Division, Statistics New Zealand. (2002). Birth counts by ethnicity and sex, 1876-1995 (Includes only Non-Māori before 1925). Unpublished data. Received (27.08.2002) from Anne Howard (Anne_Howard@stats.govt.nz), Statistics New Zealand.

Comments

(Births) Live births by ethnicity and sex for 1876-1995 (before 1925 only for Non-Māori). Data for Non-Māori for 1925 onwards were derived by subtracting the adjusted Māori birth counts from the birth counts for Total population.
